

DGMS ORGANISATIONAL STRUCTURE

DGMS HEADQUARTERS

The Organization has its headquarters at Dhanbad (Jharkhand State) and is headed by the Director General of Mines Safety (DG). At the headquarter, the Director General is assisted by specialist staff officers in mining, electrical & mechanical, occupational health, law, survey, statistics, administration, and accounts disciplines.

DGMS HEAD OFFICE, DHANBAD

The headquarters also has a technical library named as S.S.Grewal Central Library and S&T laboratories as backup support to the organization. Due to the nature of work performed by the officers of DGMS, the Government of India declared this Organization as “S&T Institute” on the recommendation of the Science and Technology Department of Government of India, in November 1987.

Officers appointed to different technical posts in DGMS are selected by U.P.S.C. They are required to have Degree in Mining or Electrical or Mechanical Engineering and several years of experience, varying from seven to ten years of working in responsible capacity in Mines and allied Industry. Besides officers of mining cadre possess First Class Mine Manager's Certificate of Competency.
