## DIRECTOR GENERAL'S MESSAGE

With immense pleasure, I extend a heartfelt welcome to you to this 2023-year's last edition of the DGMS Bulletin.

Promoting our official language, Rajbhasha is a key aspect of our identity, and our progress in this direction received recognition through several prizes. The latest improvements in the Examination Section, Capacity Building/Training Programs, and Statistical Information highlight our commitment to achieving the Vision. Various proactive measures are being taken up by DGMS in association with the industry by conducting workshops, awareness programmes, health check-up camps, and Safety Management Plan implementation and participation of DGMS officers in mine-level safety committee meetings to improve the OHS status apart from regular inspections.

CBT examination 2023 was held from 04.12.2023 to 08.12.2023 for Manager, Overman, Foreman, Surveyor, Sirdar's, Mate's, Blasters and Gas Testing Certificate of Competency Examination under the Metalliferous Mines Regulations, 1961, the Coal Mines Regulations, 2017 and the Mines Act, 1952. From November 1, 2023, document verification for exemption certificates was facilitated online at 16 DGMS centres across India, which simplified the process and enhanced transparency and convenience for the aspirants.

Through the publication of the DGMS Bulletin, the activities conducted by our organization are disseminated. It is our sincere hope that this bulletin will serve as an informative resource. Your active engagement and contribution continue to be instrumental in achieving our shared goal of a safer working environment. We extend our gratitude to all who have contributed and encouraged continued support in our collective pursuit of excellence in occupational health and safety. Warm Regards,

(Prabhakar Kumar)
